What's It All For?

Wishbone have funded NZ based orthopaedic research for over 25 years & this research then improves NZ patient outcomes and transforms lives through increased mobility & quicker patient recovery time. Orthopaedic surgeons and outdoor adventurers Perry Turner and Ian Galley have worked with local coordinators to offer adventures then length of NZ - all aiming to raise both awareness and funds needed for this orthopaedic research.

The sections hosted by Invercargill Hospital start mid-January 2024 and the Wishbone Relay finishes in late March 2024 with a gala dinner & sporting events hosted by Auckland surgeons.

The locally run & sponsored journeys create an opportunity for the orthopaedic community from all over NZ to come together, get active & support Wishbone by walking, biking, paddling, sailing and more!

Colleagues, friends & family ... everyone moving together to support orthopaedic research and helping Kiwis by restoring function and quality of life.

Hosts & Escorts

Perry & Ian have set themselves the challenge of completing as many of the legs as possible with you and they are both pouring vast amounts of time & energy into organising this Wishbone Relay - Why?

"My main motivation was to bring all those involved in care of our patients together and share what orthopaedic surgery is achieving in NZ with the public. I want to help bring us together in a fun activity and common goal." - Ian

"This is an opportunity for myself and my family to give back to a job and career that has given us so much." - Perry

On this leg they pass the baton to **local host Helen Rawlinson & event organiser Joe Stanley** For any questions about the evening, please contact them directly: helenrawlinson@hotmail.com or joe@coneystanleyevents.co.nz

If you have any other questions about The Wishbone Foundation, fundraising ideas or just want to get in touch – please email the Events Manager Nikki Wright: nikki@nzoa.org.nz or Vanya Schoeler: vanya@nzoa.org.nz
